THE LAW AS EASY TO FIND AS A WORD IN A DICTIONARY

SISYPHUS

A king of Corinth, condemned forever to roll a huge boulder to the top of a steep mountain. The boulder, always eluding, rolls to the bottom, thereby making his task an endless one.

MR. NEGLIGENCE LAWYER

Are you making of yourself a modern Sisyphus?
Are you holding yourself to an endless task?
Do you spend days, sometimes weeks looking up the law on a case, making an endless search through Digests, Reports and obsolete books, only to find at last, after you thought your work was done, that you did not have it all. How very discouraging. How useless and futile all your hard work seems.

MR. NEGLIGENCE LAWYER, it is all unnecessary. You need not work so hard on your cases in the future if you will but add,

NEGLECTANCE —AND— COMPENSATION CASES ANNOTATED The Case Winning Set

to your library now, without delay.

It will help you win Negligence Cases with facility, and will make your work seem ridiculously easy, for with it you employ, as associate counsel, the greatest editorial staff on Negligence work in the world to do your work for you. From the moment you enlist the aid of Negligence and Compensation Cases Annotated, your work becomes a pleasure. It analyzes your cases perfectly and fully illustrates them with all the latest cases. Read the following letter:

"Many times when in the depths of despair in the trial of a Negligence Case, when my state reports failed me, I have turned to my ever faithful Negligence and Compensation Cases Annotated, and found just the case I wanted. It has saved me many a hard fought battle, and by some decision obtained therein, brought victory, when defeat confronted me.

I have all the books to date and am always anxious to get the advance pamphlet, "DON'T LOSE ME, I'LL HELP YOU WIN NEGLIGENCE CASES", and found it ever true"

In thirty years of practice I consider it my best helper."—B. F. Giraziani.
